Please continue to pray:

1. Protection over Wilckly, Dee, and the kids as they serve in Haiti during a time of great instability.
2. For wisdom, clarity, health, energy, and peace for them and all under their leadership.
3. For the means to continue providing for all those under their care in Haiti.
4. For the growth of the ministry.
5. For God’s protection over all of our students and teachers, and those in our churches.
6. For peace for Haiti and its people.

## **Dear Family,**

My last update was more like a journal entry, one in which I was reminding myself that even sitting still can have a purpose, and that my plans, though good, may not be God’s plans, which are BEST. I’m sure many of you have been learning and re-learning similar things of late.

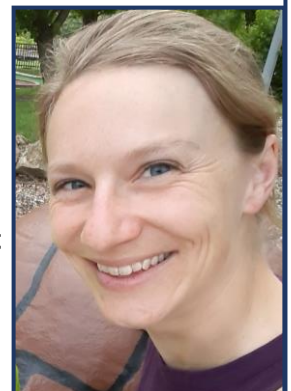

Since my last update, however, I have been blessed by being able to at last visit some of BHI’s supporting churches; two in April and two in May, and I have two more scheduled in the upcoming summer months, as well as a Vacation Bible School. I am grateful to be on the road again, doing what I love: telling others in person about the Haiti that holds a piece of my heart.

In between travel I continue to work on expense reports for taxes, contact and communicate with our team and with supporters, and, as things continue to open up, plan tentative trips to Haiti. Lord willing, I will lead a small team there in December. Please pray for this opportunity to remain open so that we can go and be an encouragement to the Dorcé family and fellow Haitian workers.

Just for fun, since March I have also been training to participate in RAGBRAI in July, Lord willing. If you don’t know, RAGBRAI is an annual bike ride across the state of Iowa, from the Missouri river to the Mississippi river. My aunt, uncle, and sister will be riding with me. It has been nice to have some time each day when I can get away from the computer and out into the fresh air and sunshine, especially now that the weather is nicer (March and April were *rough*, with the cold and wind!!)

Thank you so much for your prayers for me, for Haiti, and for the Dorcés. YOU are truly our partners in this work.

With Love in Christ,  
Shaina Ascone
