INTERNATIONAL

*"God is our refuge and strength,
Psalm 46:1 a very present help in trouble."*

There is so much uncertainty across the globe right now. Praise His holy name that our God never changes. He always keeps His promises, He will never leave us nor forsake us, He comforts us, He helps us, He redeems us, He forgives us, *HE LOVES US*. When all around us is swirling and churning in chaos *HE* is our *ROCK*. Our hope and stay.

We want you all to know that we are praying for you: every morning we bring before the Father each one of you, our world, those battling this virus, those in hospitals, those who have lost jobs...we want to hear from you. *How are YOU doing?* Please let us know how we can more specifically pray for each of you during this time.

The atmosphere in Haiti has become even more unstable, something we didn't believe was possible. Prices of food, fuel (yes, even though yours in the U.S. has plummeted), and supplies continue to go up and the American dollar holds less and less value. Unfortunately our support has also gone down in the last few months. And since this enemy is unseen most Haitians believe it is a government plot to keep them out of jobs and out of school, thus they are not following rules and restrictions. Though we are doing our best to social distance, Wilckly still has to meet with people every day who come to us for help. Churches are angry that they are being told not to meet, our school children have now missed a total of five months of school this year, not to mention most of last year, and random roadblocks are still happening, some very close to us.

Please pray for our hearts and minds right now. Pray for our physical health and safety, yes, but mostly we ask you to go to war on our behalf in prayer for our emotional and spiritual health. Living this way for two years is exhausting. Even the kids notice a difference in "the Haiti we used to know" and now, and they are longing just like us for the freedom we once had to travel around and do ministry.

Thank you so much for your faithfulness. We know this is a partnership and we couldn't go on without each one of you. Please let us know how you are doing as well.

With Love, The Dorcés
