"Grace to you and peace from God our Father and the Lord Jesus Christ, who gave Himself for our sins to deliver us from the present evil age, according to the will of our God and Father, to whom be the glory forever and ever. Amen." Galatians 1:3-5

Dear Brothers and Sisters,

Blessing Hearts
INTERNATIONAL

"...this present evil age..." has never before described our situation as appropriately as today, this season, this year. **But all praise be to Him Who delivers us from it!!** We know we *have been* delivered, but the "already-not-yet" of waiting for complete deliverance is oh, so hard these days. How we long for that Day. **Come, Lord Jesus, Come.**

With the violence that erupted in our area last spring and has worsened this year, we are knowing more than ever the need for His PEACE ON EARTH. With desperation surrounding us and so many coming to us for help we can't give we are realizing more than ever the need for FAITH IN HIS PROVISION. With discouragement threatening to drown us in an overwhelming flood of despair we are feeling more than ever the need for HOPE IN HIS PROMISES.

We praise God for His provision thus far and for His answers to prayer by giving us a safe place to live, providing shelter for those under our care, protecting us every time we had to withdraw or exchange money, and allowing us to open school for those willing/available to attend, thus also providing jobs for some of our teachers.

But just this week we received news that our biggest food supplier, another mission near Port-au-Prince, had to cancel their distribution due to unsafe conditions. We count on this rice to feed many on our properties and at our churches, and the news came at the worst time (the holidays are when everyone is looking for work and bonuses and gifts as the year closes). The economy is at an all-time low here, with the exchange rate sky-rocketing and cost of living following suit. We need a miracle.

We are asking our partners to seriously pray about
a way YOU can help us.

Just as our Savior sacrificed his eternal home in Heaven to
come to earth, and gave up His own life that we may have LIFE ETERNAL,

is there something you can sacrifice this Christmas:
A frappuccino? A meal out? That movie download?

...so that you can give what you would have spent on IT
to help us provide for those in need here in Haiti??

***On Giving Tuesday we made you aware of our end-of-the-year
goal to raise \$15,000 above and beyond our usual income.***

We still have almost 75% of that amount to raise in the next thirteen days.

What can YOU GIVE UP this season in order to GIVE AWAY?
How will YOUR dollars MAKE A DIFFERENCE?

Thank you so much for considering this opportunity in prayer,
and as always, thank you for your faithful partnership with us
in so many ways, especially your prayers, which is the way
you can make the BIGGEST IMPACT.

God bless you, and may you feel His PEACE, LOVE, and HOPE
as never before in the days to come.

With Love in Christ, The Dorcés
