"Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid." John 14:27

Right now, more than ever, this peace that Jesus has given us is needed. We pray that wherever and however this letter finds you His peace is permeating your being and quelling your anxieties. No matter the uncertainty of your future, the instability your current environment or how unsettling the reactions of those around you...
...GOD IS STILL ON HIS THRONE and HE IS STILL GOOD.

As of the moment this update is being typed there have been no confirmed or even suspected cases of Covid-19 in Haiti, for which we are praising God (were this virus to reach Haiti, an already unstable nation full of immunocompromised people - due to malnutrition and pre-existent diseases - hundreds if not thousands would succumb almost overnight). Because of the unrest in Haiti over the past two years: we know what it is like to have to sit home and not go anywhere. We know what it is like to not be able to find the food and supplies you need. We know what it is like to face uncertainty about your line of work and pay. We know what it is like to not have adequate medical care. We understand the frustration, fear and trials you all are enduring right now. So please know that our hearts and prayers go out to those of you who are dealing with the effects of this threat.

Belated joint-birthday party for Kelsey and Josiah! The kids in the photo are all still currently taking refuge, along with some of their family members, at the beach property.

With Love, The Dorcés

Thank you Lord:

- That on some days we have been able to make it to the market, church, and the beach.
- For opening the way for Shaina to come visit last week, bringing supplies and food, and books for the school.
- For providing a place for us in which we are safe when we can't move around.
- For the people who make sure we are eating good food and have clean clothes, dishes, etc. every day.
- For making it possible for us to provide for all of them, too.
- For allowing school to continue in Carries, even though so many other things are shut down and so many people have moved away.

Please pray with us:

- For wisdom in decision making: financial, church-related, when asked for help/advice, use of time.
- For peace in the country of Haiti and a resolution to all of the anger, violence, vandalism, and protests.
- For perseverance and compassion as we continue to serve where the Lord leads.
