Jeremiah 10:6

Dear Brothers and Sisters,

Often times these past two years it has been difficult to come up with the words for an update. Because often times these past two years our situation and prayer requests have remained the same. Things in Haiti are still politically and socially unstable, the area of Carriès is still undergoing violence and vandalism, the exchange rate (and as a result, cost of everything) is still going up, and our need for wisdom in every decision is just as dire.

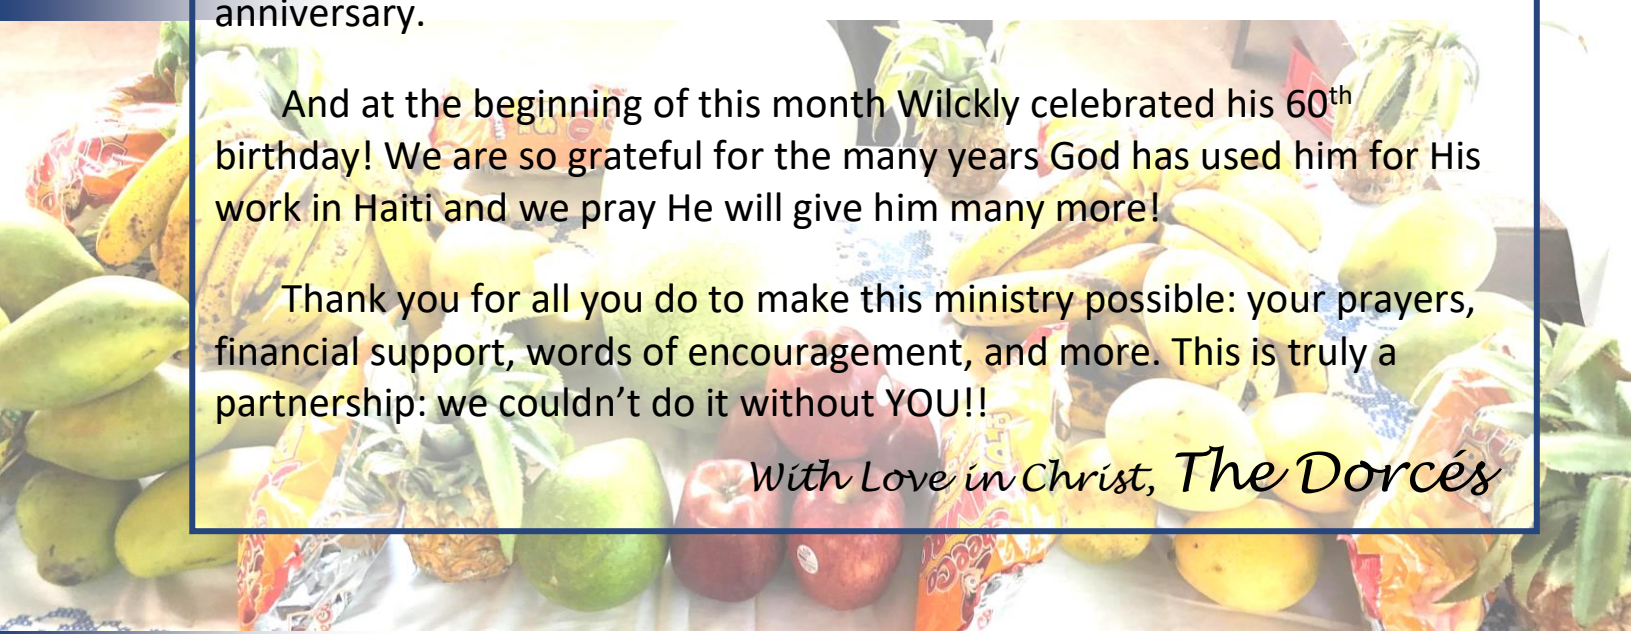

But God sends reminders every day that He is still with us, He is still at work, and He still wants us in Haiti. And despite the situation we are still able to share His love with those around us. Wilckly travels with Pastor Quene as many Sundays as they can to visit our Nazon congregation in Port au Prince, who lost their pastor to cancer last year. They are in great need of encouragement. We worshipped with our Kat Kalin congregation this past Sunday, during a celebration of their singing group's two-year anniversary.

And at the beginning of this month Wilckly celebrated his 60th birthday! We are so grateful for the many years God has used him for His work in Haiti and we pray He will give him many more!

Thank you for all you do to make this ministry possible: your prayers, financial support, words of encouragement, and more. This is truly a partnership: we couldn't do it without YOU!!

With Love in Christ, The Dorcés

God: in case you need a reminder of
Why you came to Haiti!

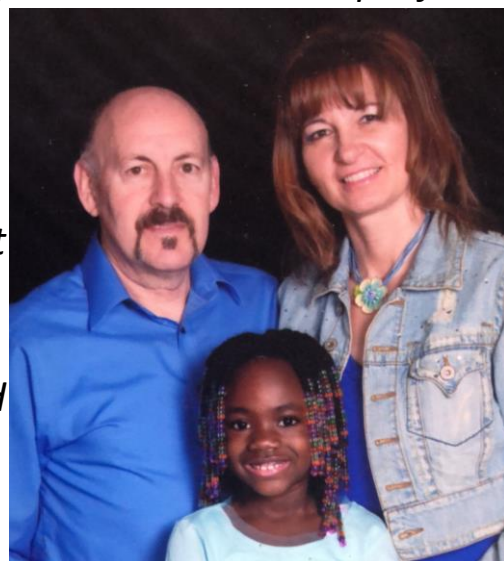

Pictured from top to bottom, left to right: 1. The children...the reason I (Dee) fell in love with Haiti in the first place. 2. Dee and Josiah in church. 3. Wilckly's 60th birthday. Happy birthday, Pastor Kiki!! (Josiah helped Dee design the cake!) 4. Our view during church. 5. A performance of "Echos Des Elus", a singing group from our Kat Kalin congregation. This past Sunday was their two-year anniversary! 6. Church at Kat Kalin during the anniversary celebration. 7. Kat Kalin Sunday School. So wonderful to see the people stepping into these leadership roles.

A Tribute to Charlie Bowen

A tribute to Charlie Bowen. We met Charlie and Teresa Bowen when they came with a group to visit our ministry in Haiti. Charlie loved the ministry and especially the children. Returning home, his wheels were turning about how he could help the ministry. He created his own little experiment to raise tilapia fish and use the water and nutrients to grow a garden. Although he was never able to see it set up in Haiti, he showed us what is possible.

Charlie supported our ministry and helped us out several times, speaking at churches, VBS and camps. When we brought Lonia from Haiti to have surgery and I (Dee) was pregnant with Josiah, he and Teresa kept Lonia to take the load off me. They fell in love with her.

We returned to Haiti with Lonia to take her back to her parents. They were so overwhelmed and afraid if they took care of her she would get sick and not make it. Returning to the States with four kids in tow was again a bit much and I called on Charlie and Teresa who again came to my rescue. This time after much thought, prayer and consideration, Charlie and Teresa adopted Lonia.

Charlie, thank you for loving Jesus, thank you for loving us and our ministry, and thank you and Teresa for loving Lonia and helping her become the beautiful young lady that she is today.

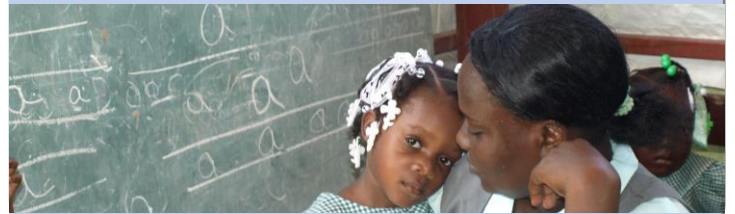

You will always be remembered.
