Summer 2022

“But seek first the kingdom of God and his righteousness, and all these things will be added to you. Therefore do not be anxious about tomorrow, for tomorrow will be anxious for itself.

Sufficient for the day is its own trouble.”

Matthew 6:33-34

Dearest Brothers and Sisters in Christ,

MINISTRIES

It is only the middle of summer in the U.S., yet stores all over are reminding us that school will be starting again before we know it. For us in Haiti there isn't much of a summer...we are ALWAYS thinking about school! Our school in Haiti finished in the middle of June: after exams were completed they had a party! Every student received a gift, everyone dressed up, there was music and fun and games. They were determined not to let the upheaval throughout the country alter our usual end-of-the-year celebration.

A BIG thank you to all who gave and made it possible for us to pay our teachers at the end of the year (this means even more to them than their other monthly paychecks because they have a couple months ahead of them with less opportunity for bringing finances into their homes and many of them are in the city where the most turmoil is).

Now in less than two months school will be starting again. We are eager to ensure that our teachers still have secure jobs to return to, that our students have a safe place to learn, and that our buildings and facilities are updated and stocked with supplies. We need to **build a wall** along the road to protect our students as they are coming to and from school each day and also during their recreation time. We need to **build permanent toilets, new chairs and benches**, as well as **purchasing numerous small supplies like chalk, pens and pencils, books, notebooks** and more. Many of our students are unable to afford these things on their own. We also often help out their parents with enrollment fees, uniform costs, and other supplies.

Please be in prayer about how you can partner with us in this way. Though our sponsorship program is not currently active (due to the instability of Haiti information is difficult to retrieve and send out, but we hope to start it up again when things settle down!), our school still has many needs, and with the unrest and insecurity in Haiti everything is more expensive and more uncertain. Our “Sponsor A Teacher’s Salary” program IS active, however, and in order to continue paying our teachers consistently this program is extremely necessary! Thank you for your faithful support and partnership with us already. Because of you the work in Haiti and the Dominican Republic is able to continue!

Yours in Christ, Wilckly and Dee Dorcé

Congratulations to Shaina (Ascone) and Matthew Thiner on their recent marriage!

The entire Dorce family was able to attend, and Wilckly and Dee shared a prayer in Creole/English during the ceremony.

Shaina will continue her work with Blessing Hearts from her new home in Astoria, IL, where Matthew pastors one of our supporting churches! How perfect God's plan and how beautiful His timing.

Above: Our 7th - 9th grade class, hard at work. Though we had to move the location of the school due to safety concerns our students remain faithful. Some of them have to travel farther now but they are doing all they can to keep learning!

Right: Our school director, Petite Homme, busy planning and collecting the end-of-the-year prizes and supplies. We had a big party to celebrate exams ending and school closing!

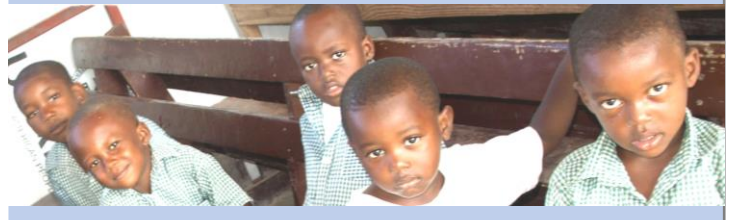

Do you want a live update?

Wilcky and Dee or Shaina are all available to come visit you and give an in-person update on the ministry!
